SAINT SAVA SERBIAN ORTHODOX CHURCH AND SCHOOL CONGREGATION OF TORONTO

Toronto Jul-22, 2015

Dear Sir,

I acknowledge receipt of your correspondence dated July 2nd 2015.

Please note that I am the president of the St. Sava Serbian Orthodox Church and school congregation. I am responding on behalf of the church and school congregation.

We do not recognize your client, Monastery Candles – SOD Limited as an entity that we had a business relationship with.

Over numerous years, we paid for candles supplied by our monastery located in Milton, Ontario. We wrote our cheque to Monastery Candles. It was our belief throughout that we were purchasing candles from our monastery – not a private corporation called SOD Ltd.

We have been the victim of a fraud perpetrated by Monastery Candles SOD Ltd.

We have a new supplier that is providing candles at a much lower rate that is market value. Moreover, we are receiving huge credit for the remnants that are returned to the supplier and melted into new candles. We did not receive any adequate compensation previously for these remnants. For the first time in a long time, we are actually making a profit on the candles.

We did not mind the fact that the amount of profit made previously is not higher because we were led to believe that we were paying for the candles to our monastery – not a limited liability corporation.

We do not owe your client any money.

Govern yourself accordingly.

President of the Board of Directors
